# LEGEND 700D

7" Touchscreen Multimedia Receiver

## Features and Benefits

### 2-Din Car Stereo with 7" Capacitive Touchscreen

Fit most popular car models in market

### Support Wireless Apple CarPlay & Android Auto

Offer seamless smartphone experience during driving

### Wireless Bluetooth Streaming

Built-in Bluetooth with hands-free calling, music streaming with ID3 tags, and phonebook support (HFP, A2DP, AVRCP, PBAP)

### DAB/DAB+ Digital Radio

Enjoy listening to your favorite radio stations during driving.

### 4V/6CH Preamp Outputs

6-channel preamp outputs (4-volt front, rear, sub)

### Subwoofer controls

Adjust the subwoofer preout's volume level directly from the front-panel buttons.

### 16-band EQ with time alignment

You can select from a variety of preset EQ curves and overcome inaccuracies created by your vehicle's speaker locations.

### 4x50 Watts Maximum Power Output

The internal amplifier is strong enough to power speakers and small subwoofers to moderate volume levels. You can also add additional amplifiers for higher volume levels.
